## 2020 Computer Science and Electronics Ranking

Dear Rajkumar Buyya,

We'd like to inform you that Guide2Research team has just released the 6th Edition of our 2020 Ranking of Top 1000 Scientists in the field of Computer Science and Electronics.

We are sure you will be very happy to learn that you have ranked 27 in the world ranking and 1 in Australia.

The ranking is based on the H-Index metric provided by Google Scholar and includes only leading scientists with an H-index of at least 40 and a considerable number of research papers indexed on DBLP.

The full world ranking is available here: [www.guide2research.com/scientists](http://www.guide2research.com/scientists)

The full ranking for Australia is available here: [www.guide2research.com/scientists/AU](http://www.guide2research.com/scientists/AU)

Please accept our sincere congratulations. Being present in our ranking is definitely a great achievement for you and your university or research institution. Feel free to share and publicize your accomplishment in any way you see fit.

With Best Regards,  
Imed Bourchrika, PhD
